Survey Instructions

0.5/0.5 points (graded)

Congratulations! You've reached the end of this course.

If you have completed all of the graded assignments, you can check the **Progress** page to see how you did. If you have achieved a passing grade, you can upgrade to a verified certificate any time before the verification upgrade deadline listed in the **Important Dates** section, and download your certificate.

The course will remain in-progress until it ends on the course end date indicated in the **Important Dates** section, so you can return to the course and continue to review the materials and take part in the discussion forums until then. After that date, the course will be archived. You'll still be able to access it, but the course forums will no longer be monitored and any updates to the content will not be reflected in the archived version of the course.
